

Amendments to the Specification

The amendments to the specification can be found in the enclosed "Marked-up Version of the Specification" and includes the addition of section headers and formatting preferred by the USPTO, as well as the correction of the two clerical errors noted below:

--On page 24, line 30, and on page 25, line 30, the reference number "30" has been changed to read "31A".--

--Throughout the application, 'ring 1, 10' has been replaced with 'ring 1', and 'ring 10' has been replaced with 'ring 1'.--

Please see the attached Marked-Up version of the Specification. No new matter has been added.
